

Rigging Apprenticeship Program

MEI Rigging & Crating

Program Participant Criteria

Participant Criteria

Notes

- Currently the Rigging Apprenticeship Program will be delivered in English. All training materials, assignments and assessments are developed in English only.
- Participants will need to be present, in-person for all 6 Workshops and willing to comply with travel (airport, airlines, ground transportation) and local (hotels, restaurants, MEI office) requirements.
- Participants should be willing and prepared for hands-on training activities, which may be conducted inside or outside. Necessary PPE and equipment will be necessary.

- **New Hire**

A candidate for the Rigging Apprenticeship Program - Beta must meet the following criteria to move forward in the application process and be scheduled for interviews. Candidates who move on to the interviewing phase should be prepared for multiple in-person and virtual interviews.

Age

- Minimum age qualification is 18 years old

Education

- A high school diploma or General Educational Development (GED) equivalency is required. Applicant must provide an official transcript(s) for high school and any post-high school education. Applicant must submit the GED certificate if applicable.
- Can proficiently understand, read, and write English
